WELCOME TO

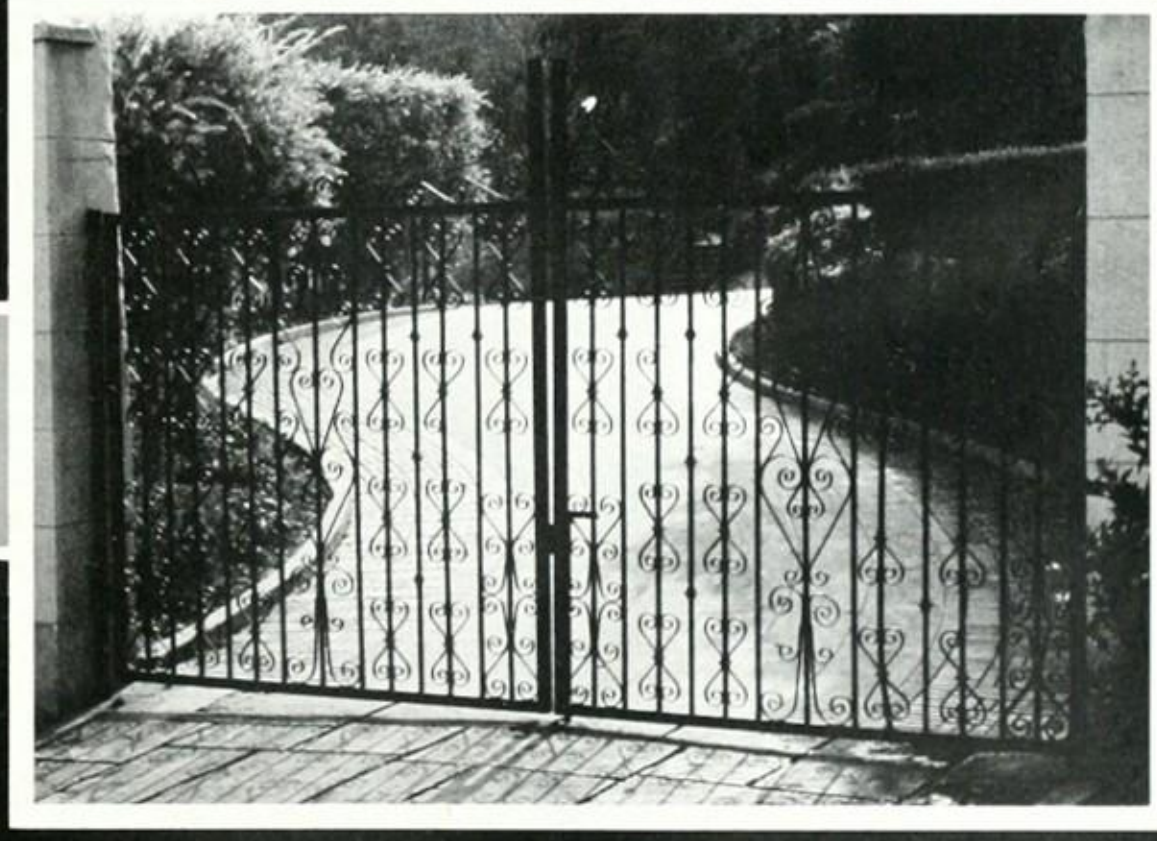
Prepare yourselves for a wonderful voyage through the gate! We will be entering into dimensions far beyond those of normal man — school life. Yet this is not the only realm of our life in which we grow.

Just as in life, we will observe many things; things that are different, family and beautiful; Yet, we must accept them all.

Follow the path and you will find there are many similar passages and bridges we have to cross to reach the final gate. There is a secret to the gate. Keep looking for it.

THE GATE

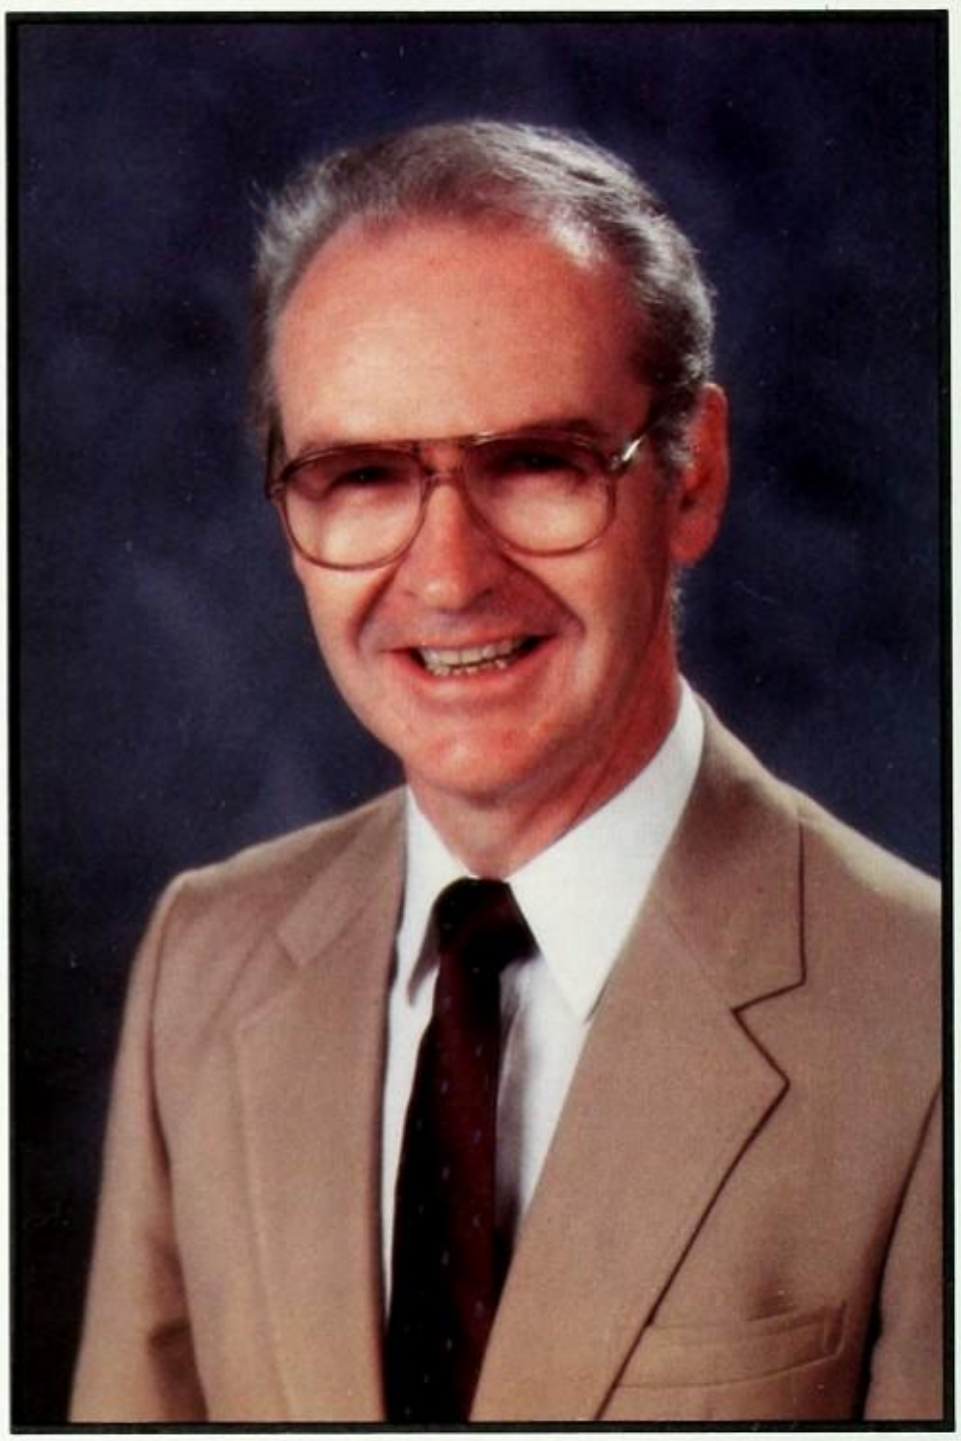
Keep in mind that we should not hurry by these things, but stop to ponder them for a moment. Once time goes by you can never get it back again.



As we continue with our daily lives, we will pass over many bridges and through many gates. Sometimes we will not realize the difficulty of those passages until we look back. It is then that we'll notice the importance of each step we've taken, each decision we've made, and the good and bad we've left behind. Though those gates behind are closed, there will always be in front of us, another open GATE.

Mr. & Mrs. Earl Adams

Dedicated to guiding lives toward those Heavenly Gates

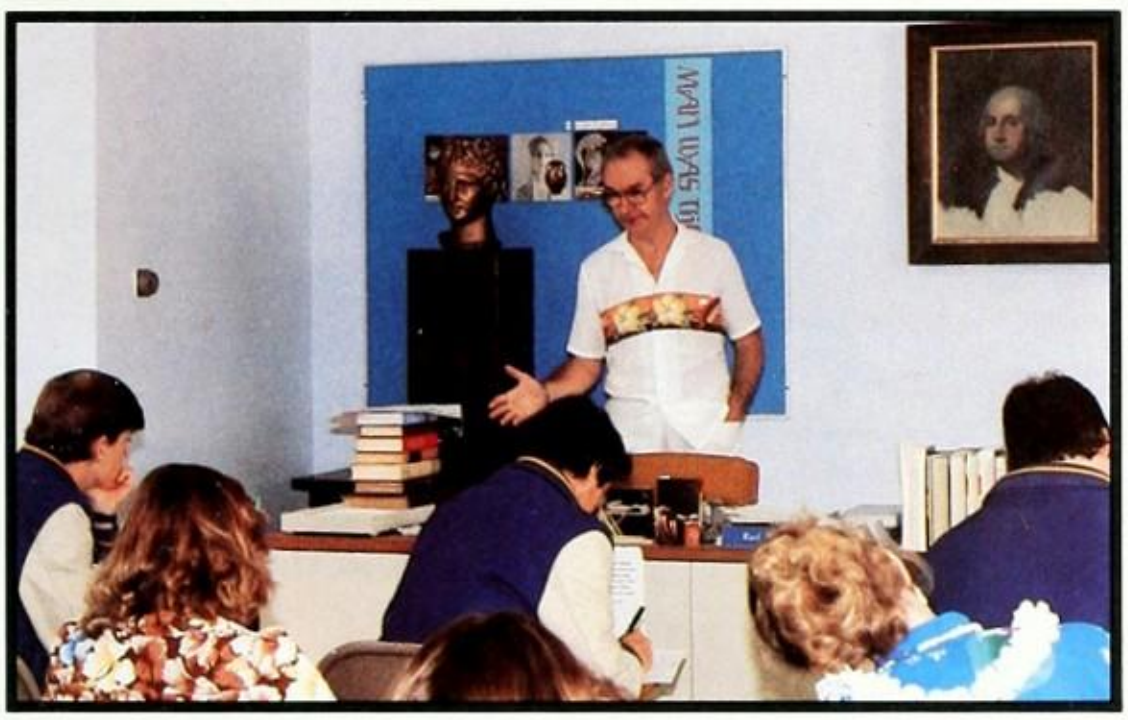


There are many words which could be used to describe the recipients of this year's dedication. Perhaps the best, would be DEDICATED. By definition, we are told that such persons are devoted to a cause, ideal, or purpose; to become committed to as a goal or way of life.

That is indeed accurate in the lives of those we wish to honor with this dedication. They have given of their best in the service of Jesus Christ in the "heat of the battle" during those years when the Christian school movement was a relatively new phenomenon. The "mushrooming" explosion for more and more Christian schools carried them to a dozen places from east to west, and from north to south in this country. They shared solid Biblical Christian education with people all across this land, giving tirelessly and with "heart." Sprinkled across America today are a godly number of Christian leaders who accepted their teachings. There is a widespread love for these two individuals because of their hard work and unselfishness. Indeed they are real "Pacesetters" and super PATRIOTS!

This long overdue honor is now come into its time in that we wholeheartedly dedicate this 1987 DOCUMENT to Mr. and Mrs. Earl H. Adams.

Mr. Adams and Mrs. Adams with the first Document staff.



Mr. Adams today.

Mr. Adams in 1964.

Mrs. Adams in 1965.

Live! In Action!

No way! It's already 1987! It seemed like an eternity for us to get this far, but we've made it! Four eventful years of high school!

Remember our Freshman year? We were pushed around so much. The days passed by ever so slowly as we skipped from one class to another. It seemed like no one would look our way or even think twice about us. Ah!! Now we laugh at those days!

Our Sophomore year, we felt we were slowly (but surely) gaining recognition. It was a step up in the right direction; a step toward that Senior Palace just waiting for us! As I remember, all we did that year was try to get through school and develop a social life!

The next year, our Junior year, was full of optimism and anticipation. We knew we had to get through the year without getting any "cuts or bruises," so we took the days little by little. Each day, we would wonder what life as a Senior would be like. Then, before we could blink, "WHA-MMO!" The year was over!

Our Senior year at last! Any regrets or sorrows? Maybe, but we won't dwell on them. There are too many good things that happened to make it all worth while. We're looking forward to a fantastic future, one full of excitment and successful accomplishments. Years from now, even though we may be the president of some big company or the wife of a rich doctor, we'll always hold the memories of our high school year, especially our Senior year.

Yes, I'm a spaz!

Our class voted ourselves "Best All Around" — Aren't we humble?

Nicolette McLaren

Nicolette,

The time has come for daddy and me to open the arms we've kept tightly around you and let you take that giant step forward into your future.

We have tried to guide you with your decisions, teach you right from wrong, and most important, to show you God's glory and love.

As you rush forward into the future, we are confident that you are ready. As it says in I Cor. 13:11, "When I was a child, I talked like a child, I thought like a child, I reasoned like a child. When I became a man, I put childish ways behind me."

Take with you, our love, and the knowledge we will always be there when you need us. With great difficulty, we open our hearts, stretch out our arms, and let you go.

II Tim. 4:7, "I have fought the good fight, I have finished the race, I have kept the faith."

Our love,
Mom and Dad

John,

Let us give thanks that your Senior year is being experienced in such a positive, healthy academic and spiritual environment. May happiness, good fortune, and peace of mind be yours in the future. We dearly love you always!

TO OUR SON

You started out in kindergarten,
Taking on the world,
"I want to be a doctor, Mom"
As a few handfuls of sand were hurled.
"He is bright, a joy, respected by all
His peers," your many teachers had said,
And oh how I cherished that wonderful hug
Just before going to bed.
Now a young man, with music so loud,
Yes, oh, yes, we are very proud,
You've worked very hard, yes from the start,
Through times of frustration, 'til
Times you were bored,
Our wish for you now, is the same as
All the years before,
That you continue to grow in the wisdom
And love of our Lord.

Love you,
Dad and Mom

Jenice,

We waited a long time to add a girl to our family and when you came you were a beautiful and sweet little girl.

We love you,

The varsity football team was forced to make many changes this year. There were many new faces on the team. But with the new faces came the largest football team Heritage has seen in quite some time. With the help of Coach Weiss and the experience of a returning team, we expect to see a great deal of progress in the future.

The Varsity Team

Cindy Doney — Coach

"Go, fight, win!" That was our motto this year — we had spirit! Unfortunately, spirit doesn't win games. However, we did have a good season. Our team improved quite a bit, and many things were accomplished.

Christina finally dove to her knees. Linda had some awesome skills and was awarded Most Valuable player, and second team All-League. Lilly received the Coach's Award, and honorable mention All-League. Jacqi did her thing and received honorable mention All-League. Olivia jumped right in at setting for the first time, and she received honorable mention All-League. Jenice earned a well-deserved Most Improved award. Sonia received honorable mention All-League as well. Lisa received Most Inspirational award, and Christy, the youngest player, also proved to be impressive as she improved her skills, but ended her season with a sprained ankle.

Still, none of this would have been possible without the Coach, Cindy Doney. She is probably one of the best girls' coaches Heritage has ever had and she is very committed. Thanks for the season, girls!

Batter Up for Varsity Softball

This season was a very fun and exhilarating experience. We had five returning varsity players who played well together, and with the team as a whole. The number one thought was to make playoffs and to give God the glory in all we did. We had great experiences. Some will last a lifetime; at least for the graduating seniors, that is.

Cheerleading is what? A sport? No way! Believe it or not, according to the Universal Cheerleading Association, cheerleading is now considered a national sport. Appropriately, the HHS Varsity cheer squad has risen to the challenge. Heritage cheerleaders have always been good, but this year the squad wanted to be more than good; they wanted excellence. With that in mind, they began working quite early to reach their first goal winning the Spirit Stick at ACSI/NCA Cheer Camp. They worked diligently and were awarded "Most Spirited Squad." Because of the accomplishment, their advisor decided it was time to work toward a new goal — competing in the NCA Regional Competitions. The squad will, with pride, be able to look back and remember that they won the Small Varsity division, thus clenching a position in the national competition in Florida, and a higher position at Heritage.

The five person junior varsity cheer squad this year consisted of only Freshman girls. Being Freshmen, Laura, Jeanette, Bridget, Marisa, and Shelly have all gotten a head start in the area of experience. Hopefully they will use this experience to better our squads next year.

To prepare them for cheering on their own, the J.V. squad first went to cheer camp during the summer. There they learned the basic skills and stunts. They then gained actual game-time experience by cheering with the varsity during football season. Finally, J.V. was ready to be on their own as they cheered for the J.V. Basketball team.

OUR SCHOOL – THE CROWD

The court lines up on the football field.

Home Sweet Homecoming

Homecoming — it only occurs once every year, but it's a moment to treasure, especially for five dazzling, young ladies. It's a time for them to be chosen as part of the Homecoming Court, and share their testimonies. The 1986 Homecoming Court featured Lark Alloway — Freshman Princess, Christy Adkins — Sophomore Princess, Olivia Salas — Junior Princess, Patti Maraia — Senior Princess, and Sonia Salas — Homecoming Queen.

The court witnessed an exciting football game, after being paraded around the field on top of a car. Luckily, no one fell off! But it was only half over, because a reception was held back at the school. It took a while for the reception to start, since all of the court's escorts were on the football team. However, the wait was well worth it. The lovely ladies and their charming escorts walked down the aisle, as all eyes were upon them. Yes, it was a memorable evening, indeed.

Once you've entered through the gate of Heritage, you will immediately notice the Biblical emphasis our school strives to achieve. Besides our required Bible classes, once a week we enjoy a chapel service. Chapel consists of a few "lively" hymns, sometimes special music, and always a short sermon. The message is usually preached by a special speaker from outside of the school. If not, one of the faculty is very capable of preaching to us.

In chapel we come together for a spiritually uplifting experience, and everyone enjoys the extended break afterwards.

FELLOWSHIP WITH

The All-School Banquet was a pleasant experience with a great bunch of beautiful people. Griswolds prepared a magnificent meal which, of course, we all pigged out on. The entertainment began with our very own Christina Sarandis, singing a lovely song entitled "Call Upon His Name," by a former Heritage High teacher, Nate Aanderud. The comedian, Cary Trivanovich was such a pleasure to watch. He could have entertained us all night long. The excitement of the night came when Erik Peterson and Nicolette McLaren were announced as Mr. and Miss Heritage of 1987.

Being an editor was quite a challenge for me. There were deadlines to meet, pictures to develop, and pages to send in. Whew! I couldn't have done it without our great Yearbook crew! I also couldn't have done it without my other half, my equal, Jacqi Retzer.

Dearest Jacqi,

It's been a thrill working on this book with my best friend. That's what makes this book so special. It took a lot of patience to put this thing together and still have our friendship remain intact. This book is a token of our partnership throughout the years.

Hello everyone! So how do you like this yearbook so far? I hope you enjoy it as much as we enjoyed doing it for you! I just wanted to thank you all for making this year special! I especially want to thank Lilly, though, for "putting up" with me, and making high school bearable. What a team we are. Another Laurel and Hardy? Well, have a great summer, and remember travel carefully and wisely through all the "gates" of your life.

A productive year it was for the whole Journalism class. This wasn't just your basic elective class that you take to get an easy "A." In this class, you need to work hard and have the patience to work with other people.

Newspapers had to be put out, and important yearbook pages had to be sent in on strict deadlines. It would seem like a "kick-back" hour, but there is much rushing around as students busy themselves with this and that.

The Yearbook and Parchment staff consisted of every person in the Journalism class. Each student had to prove his or her versatility. No student was exempt from the work on either publication.

It was indeed a productive year, and this yearbook proves just that point.

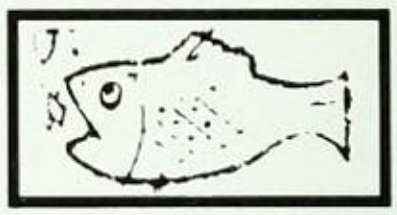
Aloha Hawaii!!



Invigorating is the key word in describing the 1986 Senior trip. In their high school career, one of the last gates of opportunity was opened to the class, and they gladly accepted the challenge of Waikiki, Honolulu, and the isles of Hawaii. The week flew by as the group dashed from one activity to another. Of course, there were the usual experiences of snorkeling at Hanauma Bay, the Polynesian Cultural Center (which everyone loved but did not want to go to in the beginning), and the "wonderful" Iolani Palace Adventure. Even more exciting, however, were the students' explorations into the unknown. The class of 1986 was able to find the time to experience many activities not previously enjoyed by any other class. Some of the guys went parasailing, many of the girls visited the island of Kauai or Maui, and some even raced from end to end of the island on rented scooters. The Tahitian dance performed by Nancy and Mr. Doney and the ferocious wind and waves of Sandy Beach will not soon be forgotten by any person on the trip. And, of course, it would not be a real Senior trip unless some of the kids got sweet on a few Polynesians (or Miss Doney on a Polynesian Security guard). Overall, the entire trip was a success. And for the class of 1987? Well, the graduates of 1986 would like to wish you luck in having a trip as stupendous as theirs, as well as a great big ALOHA!!

Graduation: The Beginning of New Paths to Follow

Kim Shropshall giving her Valedictorian address.

The organ began to bellow as the anxious graduates marched traditionally down the aisle. Their time had come, knowing that in the morning they would awaken as newborn babes in a fantastic new world of opportunities.

As the ceremonies continued, many received the awards for their scholastic and physical labor and eventually, the jewel that would shine in their crown of education forever — a diploma.

Many memories were tearfully relived as the musical specials were sung by some of the Seniors. The organ piped out that familiar graduation theme song once again, and the recessional began. Life had just begun!

My son, do not forget my teaching, but keep my commands in your heart, for they will prolong your life many years and bring you prosperity. Let love and faithfulness never leave you; bind them around your neck, write them on the tablet of your heart. Then you will win favor and a good name in the sight of God and man. Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight. Do not be wise in your own eyes; fear the Lord and shun evil. Proverbs 3:1-7

In Memoriam

Hilda P. Doney

Hilda Pauline Doney, mother of Rev. Patrick P. Doney, went to be with the Lord in October of 1986. She was a dedicated Christian who loved to attend church and the special functions of Heritage High School.

She had been a friend of Heritage for many years, since all of her grandchildren except two (John is enrolled in the eighth grade) have graduated from Heritage. Mrs. Doney will be remembered by those who knew and loved her, as a lady who desired to see her sons and their families accept Christ and then serve Him. Happily, she lived long enough to see this come to pass.
